

# The Impact of Crime on Victims

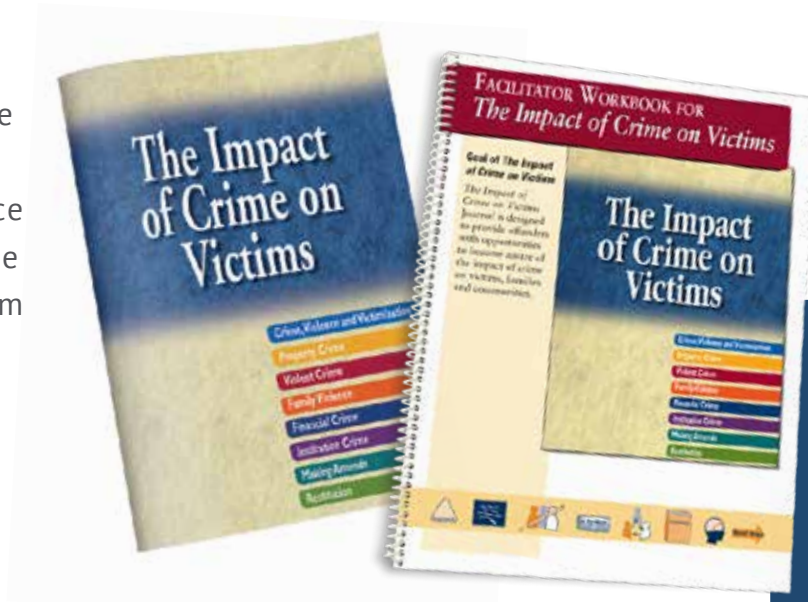

for adults in the justice system

Promoting understanding of crime's impact on victims, families and communities

*The Impact of Crime on Victims* Interactive Journal is designed to increase participants' knowledge of the effects of crime, violence and victimization. Five categories of crime and the impact of those crimes on the victims are covered:

- Property crime
- Violent crime
- Family violence
- Financial crime
- Institution crim

Sections on making amends and restitution are also included. This Interactive Journal provides offenders with opportunities to understand how a crime hurts not only the primary victim, but also families and communities.
