ABOUT INTERACTIVE JOURNALING®

Over 25 million people have used Interactive Journals to make positive changes in their lives.

The Change Companies® collaborates with hundreds of professionals and providers to create program content, implementation methods, training options and outcome measurements.

Interactive Journaling® curricula are used in many behavior change fields, including justice services, substance use treatment, impaired driving, healthcare, mental health, prevention and intervention.

INTERACTIVE

JOURNALING®

Interactive Journaling® is a structured and experiential writing process that motivates and guides participants toward positive life change. This evidence-based practice brings consistency to service delivery while keeping program participants engaged and focused on their personal change goals.

ABOUT *KEEP IT DIRECT & SIMPLE*

The *Keep It Direct & Simple* Journal System is specifically designed for adolescents in behavioral health and addiction treatment programs. The *Keep It Direct & Simple* approach highlights core concepts appropriate for the adolescent using a nonjudgmental focus on positive, strength-based strategies. Participants will explore the problems that brought them into treatment and learn strategies and skills to make meaningful, lasting change in their lives.

KEEP IT DIRECT & SIMPLE SERIES

Why Am I Here?

Item #: NK1 | 24 pages | \$2.70

Corresponding Facilitator Guide Item #: FNK1 • \$20.00

Why Am I Here? invites participants to write the story of their trip through life, identifying where they are and where they'd like to go. Participants consider their personal strengths and their motivation to make changes to their behavior. This helps them begin to consider positive changes they would like to make in their lives and to develop a plan to engage with and get the most out of the program.

My Substance Use

Item #: NK2 | 24 pages | \$2.70

Corresponding Facilitator Guide Item #: FNK2 • \$20.00

This Journal takes a close look at the topic of alcohol and other drugs. Participants will gain a clear understanding of the effects of these substances on their bodies, minds and lives as they consider the consequences of their use and their current pattern of use. They will then weigh the costs and benefits of continuing use or changing their substance use behavior.

My Twelve-Step Program

Item #: NK3 | 48 pages | \$5.40

Corresponding Facilitator Guide Item #: FNK3 • \$20.00

Twelve-Step Programs have helped millions of people build a solid foundation for recovery. This Journal will review the strengths of Twelve-Step Programs and help participants work through Step One, recognizing their powerlessness and unmanageability and Steps Two and Three, understanding spirituality and the idea of a Higher Power. Participants will also take a brief look at Steps Four through Twelve as they continue to work a program of recovery.

My Feelings

Item #: NK4 | 24 pages | \$2.70

Corresponding Facilitator Guide Item #: FNK4 • \$20.00

Getting a handle on their feelings and learning how to manage them can help participants work through challenges they are facing today. *My Feelings* will help them recognize and accept feelings such as fear, guilt, shame, sadness, grief and anger. Participants will learn and practice strategies for coping with difficult feelings.

My Family

Item #: NK5 | 24 pages | \$2.70

Corresponding Facilitator Guide Item #: FNK1 • \$20.00

My Family engages participants in exploring what family means to them and who they consider to be members of their family. They will consider what contributes to a healthy relationship and ways to improve their relationships. Finally, participants will select a family member and begin to take steps to improve that relationship.

Relationships & Communication Skills

Item #: NK6 | 24 pages | \$2.70

Corresponding Facilitator Guide Item #: FNK6 • \$20.00

This Journal helps participants to recognize the difference between healthy and unhealthy relationships. Participants will explore the characteristics and benefits of healthy relationships and consider ways to improve their relationships using effective communication.

How We Think

Item #: NK7 | 24 pages | \$2.70

Corresponding Facilitator Guide Item #: FNK7 • \$20.00

How We Think invites participants to explore how people think and the common categories of risky thoughts that lead to problems. They will learn strategies for changing their thinking style and will practice responding to difficult situations by using responsible thinking.

KEEP IT DIRECT & SIMPLE FACILITATOR GUIDES

The *Keep It Direct & Simple* Series Facilitator Guides were developed to maximize the use of the Participant Journals. Each Guide features miniature versions of the Participant Journal pages with facilitation instructions, recommendations and participant activities wrapped around the border of each page.

The Guides offer strategies for facilitating one-to-one and group sessions. Activities and optional out-of-session assignments

give flexibility to present Journal material according to participant needs and the facilitators' schedules and capabilities. The Guides also include information on the power of *Interactive Journaling*® and a summary of change research and its application in the Journals.
